Air Rescue: Varies	Landing Zone GPS: 44.240473, -87.615925 (Approximate)
	Call 911 Dispatch to arrange flight services.

Landing Zone:

Landing zone is to be determined by prevailing service as should flight decision unless there is significant trauma.

Provide 911 dispatch center with a cell phone number call back and speak to you directly for patient information if needed.

Request Mishicot Area Ambulance Service call you directly for direction, patient updates and for a flight collaboration.

Intercept Location / Requesting Transport	
911 Requests	<p>When calling for a transport, make sure you request an INTERCEPT. Requesting an ambulance like a 911 caller will trigger first responders that you may not need on site.</p> <p>FIRST RESPONDERS are dual dispatch in Manitowoc County. You cannot 1022 or cancel them. Have them manage the scene and make sure they do not impede the path of Mishicot Ambulance.</p> <p>You can mention to dispatch that you are an ambulance on site and this is a simple patient transfer.</p>
Intercept Location	Intercept with Mishicot Ambulance near the entrance of the property.

Venue Description:

Private property at a residence / farm used once a year for a hare scramble race.

Venue Events:
