Air Rescue: Varies	Landing Zone GPS: 44.313067, -87.818948 (Approximate)
	Call 911 Dispatch to arrange flight services.

Landing Zone:

Landing zone is to be determined by prevailing service as should flight decision unless there is significant trauma.

Provide 911 dispatch center with a cell phone number to call back and speak to you directly for patient information if needed.

Request County Rescue Service for intercept and additional resources.

Intercept Location / Requesting Transport

911 Requests	<p>When calling for a transport, make sure you request an <u>INTERCEPT</u>. Requesting an ambulance like a 911 caller will trigger first responders that you may not need on site.</p> <p>You are an Ambulance service requesting an INTERCEPT. Avoid words like extrication, motorcycle crash etc. Provide injury details and your intercept location and what you need.</p> <p>Request First Responders only if you need extra hands for a major trauma or multiple patients.</p>
Intercept Location	Intercept with County Rescue near the entrance of the property if possible.

Venue Description:

Private property and motocross track also used for hare scramble races.

Venue Events:

Varies

Venue Safety Rules:

Unknown unless otherwise enforced by RPA Off-Road

Venue Communications:

Direct communication with Rick and the safety team. No radios in use.

If you bring a spare GLEMS radio and tune it to GLEMS Rick will carry it and use it to call us for help.
