<b>Air Rescue:</b> Varies	<b>Landing Zone GPS:</b> Managed by Fond Du Lac Fire / Rescue
	<b>Call 911 Dispatch to arrange flight services.</b>

### Landing Zone:

Landing zone is to be determined by prevailing service as should flight decision unless there is significant trauma.

Provide 911 dispatch center with a cell phone number call back and speak to you directly for patient information if needed.

Request that Fond Du Lac Fire / Rescue call you directly for directions, patient updates and for a flight decision.

## Intercept Location / Requesting Transport

<b>911 Requests</b>	When calling for a transport, make sure you request an INTERCEPT. Requesting an ambulance like a 911 caller may trigger first responders that you may not need on site. You are an Ambulance service requesting an INTERCEPT. Avoid words like extrication, motorcycle crash etc. Provide injury details and your intercept location and what you need. Request First Responders only if you need extra hands for a major trauma or multiple patients.
<b>Intercept Location</b>	Intercept with Fond Du Lac Fire / Rescue near the entrance of the property if possible.

## Venue Description:

Private property owned land on an auction site with MX track behind the property.
